28<sup>th</sup> October 2019

*Dear Chris,*

*We, here at Rose Estate Agency would like to thank you for holding our hands on Saturday 26<sup>th</sup> October 2019, for a new home and land valuation.*

*At short notice, we contacted Chris on the previous Wednesday, in the hope he would be able to attend and assist us with a home and land valuation, where we would have paid for his time and valuation report.*

*Chris was able to attend at 9:00 but unfortunately the client was unable to make this time. We decided to go ahead with the meeting.*

*Luckily for us, Chris offered to have a look at the site plan along with any drawings to help us. I was able to send this information to Chris on Thursday with not a lot of time between the meeting. Chris was able to produce detailed pricing and more information than what we expected, in time for the meeting.*

*Due to Chris's help and guidance, we have been able to make a good impression with the property developer and are confident he will be returning to us to market the property.*

*Yours sincerely,*

**Rav Garrett**
