

Dear Anne,

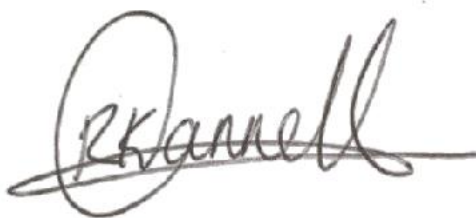

We, here at Rose Estate Agency wanted to thank you for your consistent efforts in helping us grow and involving us in your networking ventures. We have now acquired an organic sales instruction, Mr Bell, purely through your consistent hard work. This property instruction is valued at £324,999.00.

From initial contact, when I cold called you, you have been nothing but helpful and forthcoming with information that I'm sure will help us grow. We have taken it all in and hope one day we can return the goodwill with abundance.

Your expertise in this area coupled with your experience and knowledge meant the entire process of signing up to BNI and soon PIN, was very quick, clear and above all straight forward.

I would personally like to thank you, for not only being a great acquaintance and colleague, but a phenomenal mentor.

Yours sincerely,

Rav Garrett
